EDUCATION

Master of Electrical and Electronics Engineering
Boğaziçi University

2023 - Present
İstanbul

Bachelor of Computer Engineering
Istanbul Medipol University
Graduation GPA: 3.51/4

2019 - 2023
İstanbul

EXPERIENCE

Digital Hardware Designer and Embedded Systems Engineer
Tübitak Bilgem

August 2023 - Present
Gebze

Part Time Digital Hardware Designer
Tübitak Bilgem

December 2021 - June 2023
Gebze

Teknofest Chip Design Competition
Finalist, 6th Place

October 2022 - April 2023
İstanbul

Internship on Flight Simulation Integration
Quantum3D

March 2022 - September 2022
Remote

Teknofest International UAV Competition
Finalist

January 2021 - September 2021
Bursa & İstanbul

Internship on Web Development
State Meteorological Institute of Türkiye

August 2021
Ankara

BROCUP Competition
Drone Category, 1st Place

May 2021
Remote (due to COVID-19)

CanSat Competition
Finalist, 8th Place

November 2019 - May 2020
Remote (due to COVID-19)

GRADUATION PROJECT

Custom 32-bit RISC-V SoC Design
With 11 custom instructions, L1 cache, VGA connectivity

October 2022 - June 2023

LANGUAGES

Turkish - Native

English - C2

TOEFL iBT Score: 114/120

YÖKDİL Score: 98.75/100

Japanese - B2/C1

JLPT N1 Score: 121/180

JLPT N2 Score: 170/180

SKILLS

Hardware Design Verilog, VHDL, Xilinx Vivado, Intel Quartus Prime Lite

Programming C, C++, Python, Bash, Java, JavaScript, C#, Go

Other I am comfortable with and prefer working in a *nix environment and I typically use Arch Linux or Debian on my personal computer as a daily driver.
